

CHANGE OF OWNERSHIP

The Registration Certificates / Record of Breeding Forms are Official Documents, therefore when the horse is transferred, the Original Certificate has to be completed on the reverse side (back of the certificate) and sent to the office, with the relevant proof of payment.

Please ensure that the back of the Registration Certificates or Record of Breeding form is complete:

1. Date of transfer (dd / mm / yy)
2. The buyer's name and address & email & cell nr.
3. Seller's (owner) signature.

Please note:

Seller is responsible for transfers to be send in to the office & transfer fees.

As soon as we get the permission and the proof of payment we will be able to do the transfer.

- ✚ We use the email address to send the electronic certificates once the transfers have been completed.
